

## SECTION 1: Identification of the substance/mixture and of the company/undertaking

### 1.1. Product identifier

Product form : Mixture  
Product name : Novapren

### 1.2. Relevant identified uses of the substance or mixture and uses advised against

#### 1.2.1. Relevant identified uses

Main use category : Industrial use, Professional use  
Use of the substance/mixture : PC9a: Coating

#### 1.2.2. Uses advised against

No additional information available.

### 1.3. Details of the supplier of the safety data sheet

De Kimm Nederland BV  
Vossenbeemd 11  
5705 CL Helmond - Nederland  
T +31 (0) 492-533122  
[info@kimmenade.com](mailto:info@kimmenade.com) - [www.kimmenade.com](http://www.kimmenade.com)

### 1.4. Emergency telephone number

| Country        | Organisation/Company                                                             | Address                            | Emergency number | Remark                                                                              |
|----------------|----------------------------------------------------------------------------------|------------------------------------|------------------|-------------------------------------------------------------------------------------|
| United Kingdom | National Poisons Information Service (Belfast Centre)<br>Royal Victoria Hospital | Grosvenor Road<br>BT12 6BA Belfast | 0344 892 0111    | Only for the purpose of informing medical personnel in cases of acute intoxications |

## SECTION 2: Hazards identification

### 2.1. Classification of the substance or mixture

Classification according to Regulation (EC) No. 1272/2008 [CLP] with its amendment Regulation (EU) 2016/1179

Not classified

#### Adverse physicochemical, human health and environmental effects

To our knowledge, this product does not present any particular risk, provided it is handled in accordance with good occupational hygiene and safety practice.

### 2.2. Label elements

Labelling according to Regulation (EC) No. 1272/2008 [CLP] with its amendment Regulation (EU) 2016/1179

No labelling applicable

### 2.3. Other hazards

This substance/mixture does not meet the PBT criteria of REACH regulation, annex XIII

This substance/mixture does not meet the vPvB criteria of REACH regulation, annex XIII

## SECTION 3: Composition/information on ingredients

### 3.1. Substances

Not applicable

### 3.2. Mixtures

| Name                                                             | Product identifier                                                       | Conc. (% w/w) | Classification according to Regulation (EC) No. 1272/2008 [CLP] with its amendment Regulation (EU) 2016/1179 |
|------------------------------------------------------------------|--------------------------------------------------------------------------|---------------|--------------------------------------------------------------------------------------------------------------|
| Asphalt substance with national workplace exposure limit(s) (GB) | (CAS-No.) 8052-42-4<br>(EC-No.) 232-490-9<br>(REACH-no) 01-2119480172-44 | 30 - 50       | Not classified                                                                                               |

# Novapren

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2016/1179

### SECTION 4: First aid measures

#### 4.1. Description of first aid measures

|                                       |                                                                                                                                                                                                       |
|---------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| First-aid measures general            | : Never give anything by mouth to an unconscious person. If you feel unwell, seek medical advice (show the label where possible).                                                                     |
| First-aid measures after inhalation   | : Remove person to fresh air and keep comfortable for breathing. Get medical advice/attention if you feel unwell.                                                                                     |
| First-aid measures after skin contact | : Remove contaminated clothes. Gently wash with plenty of soap and water. If skin irritation or rash occurs: Get medical advice/attention.                                                            |
| First-aid measures after eye contact  | : Immediately flush eyes thoroughly with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. |
| First-aid measures after ingestion    | : Rinse mouth. Do not induce vomiting without medical advice. Get medical advice/attention if you feel unwell.                                                                                        |

#### 4.2. Most important symptoms and effects, both acute and delayed

|                  |                                                                                            |
|------------------|--------------------------------------------------------------------------------------------|
| Symptoms/effects | : Not expected to present a significant hazard under anticipated conditions of normal use. |
|------------------|--------------------------------------------------------------------------------------------|

#### 4.3. Indication of any immediate medical attention and special treatment needed

Treat symptomatically.

### SECTION 5: Firefighting measures

#### 5.1. Extinguishing media

|                                |                                                        |
|--------------------------------|--------------------------------------------------------|
| Suitable extinguishing media   | : Foam. Dry powder. Carbon dioxide. Water spray. Sand. |
| Unsuitable extinguishing media | : Do not use a heavy water stream.                     |

#### 5.2. Special hazards arising from the substance or mixture

|                                                  |                                                                              |
|--------------------------------------------------|------------------------------------------------------------------------------|
| Fire hazard                                      | : Presents no particular fire or explosion hazard.                           |
| Hazardous decomposition products in case of fire | : For further information, refer to section 10 : "Stability and Reactivity". |

#### 5.3. Advice for firefighters

|                                |                                                                                                                                                                       |
|--------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Firefighting instructions      | : Use water spray or fog for cooling exposed containers. Exercise caution when fighting any chemical fire. Prevent fire fighting water from entering the environment. |
| Protection during firefighting | : Do not enter fire area without proper protective equipment, including respiratory protection.                                                                       |

### SECTION 6: Accidental release measures

#### 6.1. Personal precautions, protective equipment and emergency procedures

##### 6.1.1. For non-emergency personnel

|                      |                                   |
|----------------------|-----------------------------------|
| Emergency procedures | : Evacuate unnecessary personnel. |
|----------------------|-----------------------------------|

##### 6.1.2. For emergency responders

|                      |                                                                                                                                   |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------|
| Protective equipment | : Equip cleanup crew with proper protection. For further information refer to section 8: "Exposure controls/personal protection". |
| Emergency procedures | : Ventilate area.                                                                                                                 |

#### 6.2. Environmental precautions

Do not allow to enter drains or water courses.

#### 6.3. Methods and material for containment and cleaning up

|                         |                                                                                                                 |
|-------------------------|-----------------------------------------------------------------------------------------------------------------|
| Methods for cleaning up | : Take up liquid spill into absorbent material. Sweep or shovel spills into appropriate container for disposal. |
| Other information       | : Dispose of materials or solid residues at an authorized site.                                                 |

#### 6.4. Reference to other sections

For further information refer to section 8: "Exposure controls/personal protection". Concerning disposal elimination after cleaning, see section 13.

### SECTION 7: Handling and storage

#### 7.1. Precautions for safe handling

|                               |                                                                                                                                            |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------|
| Precautions for safe handling | : Concerning personal protective equipment to use, see section 8. Provide good ventilation in process area to prevent formation of vapour. |
| Hygiene measures              | : Do not eat, drink or smoke when using this product. Always wash hands after handling the product.                                        |

#### 7.2. Conditions for safe storage, including any incompatibilities

|                       |                                                                                                                                      |
|-----------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Storage conditions    | : Keep only in the original container in a cool well ventilated place. Keep container closed when not in use. Protect from freezing. |
| Incompatible products | : Strong bases. Strong acids. Strong oxidation agent. Aluminium.                                                                     |
| Storage temperature   | : 5 - 35 °C                                                                                                                          |

# Novapren

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2016/1179

Heat and ignition sources : Keep away from heat and direct sunlight.

### 7.3. Specific end use(s)

No additional information available.

## SECTION 8: Exposure controls/personal protection

### 8.1. Control parameters

| Asphalt (8052-42-4) |                               |                                      |
|---------------------|-------------------------------|--------------------------------------|
| United Kingdom      | Local name                    | Asphalt                              |
| United Kingdom      | WEL TWA (mg/m <sup>3</sup> )  | 5 mg/m <sup>3</sup> petroleum fumes  |
| United Kingdom      | WEL STEL (mg/m <sup>3</sup> ) | 10 mg/m <sup>3</sup> petroleum fumes |
| United Kingdom      | Regulatory reference          | EH40. HSE                            |

### 8.2. Exposure controls

#### Appropriate engineering controls:

Ensure good ventilation of the work station.

#### Personal protective equipment:

Mist formation: aerosol mask.

#### Hand protection:

Wear suitable gloves resistant to chemical penetration. Chemical resistant gloves (according to European standard NF EN 374 or equivalent).

#### Eye protection:

Safety glasses. DIN EN 166

#### Skin and body protection:

Wear suitable protective clothing. CEN : EN 340; EN 369; EN 465

#### Respiratory protection:

No special respiratory protection equipment is recommended under normal conditions of use with adequate ventilation. In case of inadequate ventilation wear respiratory protection. Mist formation: aerosol mask. EN 143

#### Personal protective equipment symbol(s):

#### Environmental exposure controls:

Avoid release to the environment.

#### Other information:

Do not eat, drink or smoke during use. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work.

## SECTION 9: Physical and chemical properties

### 9.1. Information on basic physical and chemical properties

|                                            |                                |
|--------------------------------------------|--------------------------------|
| Physical state                             | : Liquid                       |
| Appearance                                 | : Thin liquid                  |
| Colour                                     | : milky. brown.                |
| Odour                                      | : typical.                     |
| Odour threshold                            | : No data available.           |
| pH                                         | : 11 - 13                      |
| Relative evaporation rate (butylacetate=1) | : No data available.           |
| Melting point                              | : No data available.           |
| Freezing point                             | : No data available.           |
| Boiling point                              | : ≈ 100 °C                     |
| Flash point                                | : The product is not flammable |
| Auto-ignition temperature                  | : No data available.           |
| Decomposition temperature                  | : No data available.           |

# Novapren

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2016/1179

|                                  |                                      |
|----------------------------------|--------------------------------------|
| Flammability (solid, gas)        | : No data available.                 |
| Vapour pressure                  | : As water                           |
| Relative vapour density at 20 °C | : No data available.                 |
| Relative density                 | : 1,05                               |
| Solubility                       | : Water: Miscible in all proportions |
| Log Pow                          | : No data available.                 |
| Viscosity, kinematic             | : No data available.                 |
| Viscosity, dynamic               | : No data available.                 |
| Explosive properties             | : No data available.                 |
| Oxidising properties             | : No data available.                 |
| Explosive limits                 | : No data available.                 |

### 9.2. Other information

VOC content : 0 g/l

## SECTION 10: Stability and reactivity

### 10.1. Reactivity

Stable under normal conditions of use.

### 10.2. Chemical stability

Stable under normal conditions.

### 10.3. Possibility of hazardous reactions

No dangerous reactions known.

### 10.4. Conditions to avoid

Keep away from heat and direct sunlight.

### 10.5. Incompatible materials

Strong acids. Strong bases. Strong oxidation agent. Aluminium.

### 10.6. Hazardous decomposition products

Combustion generates : Carbon oxides (CO, CO<sub>2</sub>). Small amounts of hydrogenchloride.

## SECTION 11: Toxicological information

### 11.1. Information on toxicological effects

|                                   |                                 |
|-----------------------------------|---------------------------------|
| Acute toxicity (oral)             | : Not classified                |
| Acute toxicity (dermal)           | : Not classified                |
| Acute toxicity (inhalation)       | : Not classified                |
| Skin corrosion/irritation         | : Not classified<br>pH: 11 - 13 |
| Serious eye damage/irritation     | : Not classified<br>pH: 11 - 13 |
| Respiratory or skin sensitisation | : Not classified                |
| Germ cell mutagenicity            | : Not classified                |
| Carcinogenicity                   | : Not classified                |
| Reproductive toxicity             | : Not classified                |
| STOT-single exposure              | : Not classified                |
| STOT-repeated exposure            | : Not classified                |
| Aspiration hazard                 | : Not classified                |

## SECTION 12: Ecological information

### 12.1. Toxicity

|                          |                  |
|--------------------------|------------------|
| Acute aquatic toxicity   | : Not classified |
| Chronic aquatic toxicity | : Not classified |

### 12.2. Persistence and degradability

|                               |                  |
|-------------------------------|------------------|
| <b>Novapren</b>               |                  |
| Persistence and degradability | Not established. |

# Novapren

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2016/1179

### 12.3. Bioaccumulative potential

#### Novapren

|                           |                  |
|---------------------------|------------------|
| Bioaccumulative potential | Not established. |
|---------------------------|------------------|

### 12.4. Mobility in soil

No additional information available.

### 12.5. Results of PBT and vPvB assessment

#### Novapren

This substance/mixture does not meet the PBT criteria of REACH regulation, annex XIII

This substance/mixture does not meet the vPvB criteria of REACH regulation, annex XIII

### 12.6. Other adverse effects

Additional information : Avoid release to the environment.

## SECTION 13: Disposal considerations

### 13.1. Waste treatment methods

Product/Packaging disposal recommendations : Dispose in a safe manner in accordance with local/national regulations.

Additional information : Empty containers should be taken for recycle, recovery or waste in accordance with local regulation.

Ecology - waste materials : Avoid release to the environment.

## SECTION 14: Transport information

In accordance with ADR / RID / IMDG / IATA / ADN

| ADR                                     | IMDG          | IATA          | ADN           | RID           |

### 14.6. Special precautions for user

#### - Overland transport

Not regulated

#### - Transport by sea

Not regulated

#### - Air transport

Not regulated

#### - Inland waterway transport

Not regulated

#### - Rail transport

Not regulated

### 14.7. Transport in bulk according to Annex II of Marpol and the IBC Code

Not applicable

## SECTION 15: Regulatory information

### 15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

#### 15.1.1. EU-Regulations

Contains no REACH substances with Annex XVII restrictions

Contains no substance on the REACH candidate list

Contains no REACH Annex XIV substances

# Novapren

## Safety Data Sheet

according to Regulation (EC) No. 1907/2006 (REACH) with its amendment Regulation (EU) 2016/1179

VOC content : 0 g/l

### 15.1.2. National regulations

No additional information available.

### 15.2. Chemical safety assessment

No chemical safety assessment has been carried out

## SECTION 16: Other information

Indication of changes:

Revised safety data sheet in accordance with commission regulation (EU) No 2016/1179.

| Section | Changed item                                                                                                 | Change   | Comments |
|---------|--------------------------------------------------------------------------------------------------------------|----------|----------|
|         | Supersedes                                                                                                   | Added    |          |
